PARTNER WITH FLOW FOUNDATION · CSI, SED & ESD

Back young people in Westlake, Cape Town.

From early learning to future opportunity, across five pillars: Education, Sport, Music, Arts & Fashion and Technology. Every contribution is coded and reported back to you.

Who we are

Flow Foundation SA NPC (Reg. 2017/347568/08) is run by a volunteer board of eight directors. No founder takes a salary from fundraising, and directors' business interests are published. Registration details are being updated with CIPC; NPO and PBO numbers will be confirmed on request.

Proof: Sunbeam Crèche, Westlake

Sunbeam began in two informal wooden structures and an outhouse. With partners, Flow built a double-storey blockwork centre for just under R300,000 across 27 construction milestones, and handed it to its founding teachers. Two goals remain: Wi-Fi and an ECD TV channel (R45,000), and exterior paint and the mural (R35,000).

Every Mandela Day since 2023, partners have fed 300 Westlake children; Nal'ibali has donated more than 350 books to the community.

Five ways to partner

- Fund a year of one pillar: Education, Sport, Music, Arts & Fashion or Technology.
- Finish Sunbeam: R80,000 for Wi-Fi, an ECD TV channel, paint and the mural.
- Sponsor the #DOTHEHARDTHING tops and events: logo positions from R500 to R10,000.
- Fund the Michael Fichardt Scholarships: two full scholarships, Sport and Technology, R160,000 a year for both.
- Give materials, equipment, professional skills or a team volunteering day.

What your company gets

- Reporting against your contribution's own giving code: what it paid for, delivered and cost.
- Site visits, milestone photos and a story you can share with staff and stakeholders.
- Contributions may support your socio-economic development goals; confirm recognition with your B-BBEE verification agent.

How we work

Problem, solution, proof, return: we start with a specific need, cost the answer, share evidence as the work happens and report at the end. Sponsorships and purchases are not tax-deductible donations. As a children's charity we do not accept alcohol, tobacco or gambling sponsors.
